

Delta Electronics is a global leader in power and thermal management solutions.

Founded in 1971, Delta's mission is "To provide innovative, clean, and energy-efficient solutions for a better tomorrow."

Delta offers some of the most energy-efficient power products in the industry, including switching power supplies and DC brushless fans.

Delta is a major source of power management and thermal solutions for many of the world's top IT, industrial automation, and renewable energy companies.
